**REQUIREMENTS**

To graduate, students must complete a minimum of 100 hours of community service and at least 24 credits, including four credits each of English, math, and science; three credits each of social studies and world language; one credit of fine arts, and one-half credit each of personal fitness and physical education.

**TRANSCRIPTS AND REPORTS**

High-school-level courses completed at NSU University School and through the Florida Virtual School are listed on transcripts, but courses completed in Middle School do not count toward Upper School graduation credits. Grade reports are issued to students at the end of each semester. Year-end grades for full-year courses and semester grades for one-semester courses are posted on transcripts.

**GRADING POLICIES**

A weighted and an unweighted GPA are reported on the transcript. Cumulative GPAs include A-F grades in courses completed at NSU University School in grades 9-12. If a course is repeated, both courses are listed on the transcript, and if applicable, both grades are included in the cumulative GPA. Students who change to a lower-level course receive a grade adjustment of 5 points to the course average at the time of transfer, and the completed course is reported on the transcript. P grades are reported for Team Sports completed for graduation credit, completion of the *Florida Competency Examination on Personal Fitness, Learning Strategies* when completed for graduation credit, and arts performance credits.

**DISCIPLINE REPORTING**

Students are required to report disciplinary violations resulting in external suspension during grades 9-12 to any college requesting the information. Changes, whether pre- or post-admission, in a senior's enrollment status are reported to the colleges to which the student has applied.

**NSU University School does not report class rank**

### SCHOOL COMMUNITY

Founded in 1971, NSU University School is a nonsectarian, private, preschool through grade 12, day school. The 2020 members of the student body reflect the multiethnic and international demographics of South Florida. The Upper School enrollment is 770 students, with 206 members in the Class of 2023.

### ACADEMIC PROGRAM

The college-preparatory curriculum focuses on student needs and individual growth. NSU University School is a part of Nova Southeastern University, Florida's largest private university. This affiliation provides students and faculty members with exceptional opportunities and access to resources. The school operates on a semester calendar. For the 2020-21 academic year and in response to the COVID-19 pandemic, courses were taught in person and online/remotely, with 40-50% of the students choosing hybrid instruction each day. Students received letter grades and full credit for completed courses in either mode of instruction. In 2021-22 and for the current academic year, we have fully returned to in-person instruction.

25 AP courses are available. About 85% of the Class of 2023 will complete at least one AP credit by graduation, with approximately 45% completing more than the average number of five AP credits. Teacher recommendations are required for enrollment in AP and Advanced Topics (AT) courses, which are more rigorous than Honors courses.

### EXPERIENTIAL LEARNING OPPORTUNITIES

An Independent Research Study program provides the opportunity for students to implement a research project that will effect change locally and globally. Students can delve into career opportunities through the NSU Shepard Broad College of Law Fellowship, the Dr. Kiran C. Patel College of Osteopathic Medicine Fellowship, and the H. Wayne Huizenga College of Business & Entrepreneurship Fellowship. Internships are available in psychology, sports medicine, and stock portfolio management.

### CO-CURRICULAR LIFE

- Participants in the school's nationally ranked forensics program perennially win national, regional, and state championships.
- 21 varsity teams are available in 13 sports. Athletic teams regularly win district and state championships.
- Many students go well beyond the community service requirement, and the Class of 2022 donated more than 52,000 service hours.
- The Theatre Arts Program annually garners multiple awards at the South Florida CAPPIES (Critics Award Program) gala and at regional and state thespian competitions.
- Visual art students receive accolades from the Scholastic and Art Writing Awards, Fairchild Challenge, and regional competitions.
